SEVENTEEN NAMED TO  
UM COUNCIL OF 50

MISSOULA---

Seventeen Montana citizens have accepted appointments to the University of Montana Council of 50, it was announced today, March 7, by UM President Robert T. Pantzer.

The new appointments are the result of the Council's decision at its meeting last December to adopt a revolving membership policy calling for three-year terms which expire on December 31. "This reorganization by the University's advisory group is designed to broaden the support of the institution and to enable more interested citizens to assist in providing direction for UM programs," explained President Pantzer.

New Council members are The Honorable Russell E. Smith, Missoula; Emmett C. Angland, Harry B. Mitchell and Joseph Thiebes, Jr., Great Falls; Leonard W. Eckel and Paul O'Hare, Billings; P. Largey MacDonald, Butte; Arthur Stubkjaer, Cut Bank; W. L. Bill Holter, Glasgow; Robert James, Grant; Charles E. Sweeney, Hardin; Richard Rubie, Havre; John Willard, Helena; Claude Erickson, Livingston; Paul Husted, Miles City; The Honorable William Mackay, Roscoe; and Wilbur White, Two Dot.

Sixteen Council members have completed their terms and will continue to serve in an emeriti capacity. "The University has gained considerable benefit from the counsel of these citizens and we are pleased their services will continue to be available to us under the new Council structure," said the UM president.

The emeriti members are Bill A. Fisher, M.C. Gallagher, Sumner Gerard and The Honorable W.J. Jameson, Billings; Frank A. Buttrey, Alexander Warden and Floyd S. Weimer, Great Falls; Robert Y. Amrine, Butte; Frank Whetstone, Cut Bank; Frederic Dion, Glendive; Calvin S. Robinson, Kalispell; Wayne Montgomery, Lima; Paris Robert, Roundup; Clyde L. Hawks, St. Xavier; Dick Hirschy, Wisdom; and Lyman Clayton, Jr., Wolf Point.

more

Consisting of representatives from various professions and virtually all geographical sections of Montana, the Council was organized in 1964 with the following objectives: to help the University determine how it may best serve the Montana citizenry; to participate in planning for long range campus development; to provide leadership and direction in building the University's educational and public service programs; and to assist in maintaining a two-way flow of information between the University and the Montana public.
